

FREEDOM. FAIRNESS. SAVINGS.

CAN YOU BELIEVE WE'RE TALKING ABOUT TAXES?

What's all the talk about?

The FairTax Plan is a nonpartisan proposal that replaces all federal income and payroll taxes with a progressive tax on consumption (national retail sales tax). It includes a cash "prebate" that ensures no American pays federal taxes on their spending for essential goods and services up to the poverty level.

- ★ Every American can keep their entire paycheck.
- ★ All federal income taxes – GONE!
- ★ IRS and 16th Amendment – GONE!
- ★ Completely untaxes low-income families.
- ★ Untaxes tuition.
- ★ Existing and future savings and investments are all tax free as the return on that savings.
- ★ Positive impact on retirees.
- ★ No federal taxes or compliance costs hidden in consumer prices.
- ★ Raises the same amount of revenue as the current system with much lower marginal rates.
- ★ Promotes economic growth and substantial wage increases for working Americans.
- ★ Stops the export of American jobs.
